## **Living God's Word**

The Eucharist is our habitual, public praise and thanks to God. We give thanks for the gifts of creation and the covenant. We have thanks for the gift of redemption that is ours through Jesus Christ and for the gifts that the Holy Spirit pours out on us. In the Eucharist each of us should also give thanks for the gifts of God in our lives.

## **WEEKLY STEWARDSHIP**

### **Twenty-eighth Sunday in Ordinary Time**

In today's gospel, we hear of the ten men afflicted with leprosy, and the one who glorifies God for being healed. It is a dramatic scene of gratitude. But in order for the miracle to happen in the first place, these men had to start walking in faith before their diseased conditions changed one tiny bit. Good stewards of their faith realize that they cannot wait until their problems are over to start walking in faith. They praise God even in the darkest of nights, and in the worst of circumstances. **Do we walk in faith, giving the Lord our gratitude even when we are in difficult circumstances?**
