COMING THIS ADVENT!

A special program is being planned for the Advent season at St. Therese. This program will be based on Fr. Robert Barron's inspiring DVD series "**Conversion: Responding to God's Call.**" The series considers six Biblical figures who responded in various ways to God's call. Each of these examples provides an important lesson for us as we seek to recognize and respond to God's call in our own lives today.

Themes from the series will be incorporated into Fr. Norbert's weekly homilies to stimulate reflection and to promote the practical application of the central ideas. The anticipated result of this program is not only personal spiritual preparation for the Christmas season but also a strengthening of our parish community.

Workbooks for the series are optional and can be ordered through the parish office for \$13 each. Be watching the bulletin for further details on the program as Advent approaches.

Dead, as we remember all souls.

During the month of November, we invite you to write the names of your deceased family members and friends in our ***Book of the Names of the***

Question of the Week:

England's late Cardinal Basil Hume said he liked to imagine "judgment" whispering into the ear of an infinitely compassionate God the story of his life as he'd never been able to tell it to anyone else. ***How do I picture the judgment that will follow my death?***
