Dear Saint Therese parishioners,

Today Bishop Kopacz issued new directives for the diocese in response to the CoronaVirus outbreak. Please visit the diocesan website for more information.

In light of these guidelines, there will be no daily masses and weekend masses at Saint Therese until further notice. Also, there will be no adoration of the Blessed Sacrament on Wednesdays. No stations of the cross on Friday. No catechesis on Sundays. The sacrament of Reconciliation will be by appointment only.

All public gatherings and meetings are also cancelled at the parish as well. The church office will remain open but I will encourage you to take care of parish business over the phone or through email if possible.

If anyone knows of someone in our parish who is sick and needs to see me, please call the office and let us know.

Finally, I do sincerely ask you to continue financially supporting Saint Therese parish. We still have bills and employees to pay. I really appreciate your generosity!

If you have any questions about anything, please let me know. Let us continue to pray and support one another and may we grow stronger as a result of this testing.

God Bless you all!

PADRE
