## Smile: Gentle Thoughts for Today

- ▶ Birds of a feather flock together . . .  
and then poop on your car.
- ▶ A penny saved is a government oversight.
- ▶ The older you get, the tougher it is to lose weight, because by then your body and your fat have gotten to be really good friends.
- ▶ The easiest way to find something lost around the house is to buy a replacement.
- ▶ He who hesitates is probably right.
- ▶ Did you ever notice: The Roman Numerals for forty (40) are XL.
- ▶ If you can smile when things go wrong, you have someone in mind to blame.
- ▶ The sole purpose of a child's middle name is so he can tell when he's really in trouble..
- ▶ Did you ever notice: When you put the 2 words 'The' and 'IRS' together it spells 'Theirs...'
- ▶ Aging: Eventually you will reach a point when you stop lying about your age and start bragging about it.
- ▶ Some people try to turn back their odometers. Not me, I want people to know 'why' I look this way. I've traveled a long way and some of the roads weren't paved.
- ▶ When you are dissatisfied and would like to go back to your youth, think of Algebra.
- ▶ You know you are getting old when everything either dries up or leaks.
- ▶ One of the many things no one tells you about aging is that it is such a nice change from being young.
- ▶ Ah, being young is beautiful, but being old is comfortable.

**Lord, Keep your arm around my shoulder  
and your hand over my mouth.**

**AMEN!**

***We will be looking for you April 12 -  
Bring a friend!***
