On the Lighter Side:

If you ever testify in court, you might wish you could have been as sharp as this policeman. He was being cross-examined by a defense attorney during a felony trial. The lawyer was trying to undermine the police officer's credibility ...

Q: 'Officer --- did you see my client fleeing the scene?'

A: 'No sir. But I subsequently observed a person matching the description of the offender, running several blocks away.'

Q: 'Officer, who provided this description?'

A: 'The officer who responded to the scene.'

Q: 'A fellow officer provided the description of this so-called offender. Do you trust your fellow officers?'

A: 'Yes, sir. With my life.'

Q: 'With your life? Let me ask you this then officer. Do you have a room where you change your clothes in preparation for your daily duties?'

A: 'Yes sir, we do!'

Q: 'And do you have a locker in the room?'

A: 'Yes, sir, I do.'

Q: 'And do you have a lock on your locker?'

A: 'Yes, sir.'

Q: 'Now, why is it, officer, if you trust your fellow officers with your life, you find it necessary to lock your locker in a room you share with these same officers?'

A: 'You see, sir, we share the building with the court complex, and sometimes lawyers have been known to walk through that room.'

The courtroom EXPLODED with laughter, and a prompt recess was called. The officer on the stand has been nominated for this year's 'Best Comeback' line --- and we think he'll win!

BEST EVER SENIOR CITIZEN JOKE

A little silver-haired lady calls her neighbor and says, "Please come over here and help me. I have a killer jigsaw puzzle, and I can't figure out how to get started."

Her neighbor asks, "What is it supposed to be when it's finished?"

The little silver haired lady says, "According to the picture on the box, it's a rooster."

Her neighbor decides to go over and help with the puzzle.

She lets him in and shows him where she has the puzzle spread all over the table.

He studies the pieces for a moment, then looks at the box, then turns to her and says, "First of all, no matter what we do, we're not going to be able to assemble these pieces into anything resembling a rooster."

He takes her hand and says, "Secondly, I want you to relax. Let's have a nice cup of tea, and then, "he said with a deep sigh

"Let's put all the Corn Flakes back in the box."
